Can't remember which committee this should go to (Planning and Dev)

Approve directing the Planning Commission to create an ordinance to allow for special exceptions to the Augusta zoning ordinance related to annotated code of Georgia, GA, O. C. G.A. 16-12-215 (a) concerning the licensing of a pharmacy for low THC oil dispensing within 1,000 ft of a covered entity. Covered entity includes, schools, day cares, or churches.

Have a great day!
