<b>Presenter:</b>	Major Charles Mitchell
<b>Caption:</b>	Motion to approve Inmate Telephone Contract Addendum D
<b>Background:</b>	Inmate Telephone Services Agreement originally entered into by the Richmond County Sheriff Office (Customer) with its principal place of business at 1941 Phinzy Road, Augusta GA 30906 and Bealls Communications Group (Company), originally signed on February 4th, 2013. Combined Public Communications, LLC A(CPC) subsequently acquired the Agreement and has assumed the obligations of Bealls Communications Group as the provider of Inmate Communications Services. The current request for Addendum D will provide services for grievances, off mail scanning, and FastCase Law Library.
<b>Analysis:</b>	<p>The annual operating budget of the Richmond County Sheriff's Office includes commission revenue from the current telephone contract.</p> <p>The Richmond County Sheriff's Office would like to add an addendum for the following services: grievances, off mail scanning, and FastCase Law Library.</p>
<b>Financial Impact:</b>	If the RCSO current average daily population (ADP) count of one thousand two hundred and four (1,204) decreases by fifteen (15%) percent or more over a three (3) month period, CPC reserves the right to renegotiate this commission upon thirty (30) days advanced notice to Customer.
<b>Alternatives:</b>	None
<b>Recommendation:</b>	The Richmond County Sheriff's Office request approval for Combined Public Communications Addendum D (providing grievances, off mail scanning, and FastCase Law Library).
