The Richmond County Sheriff's Office Training Department is requesting an emergency Purchase Order for ammunition due to the shortages of the ammunition supply. Gulf State Distributors has stated that the shipping process takes several weeks and there is a backlog in ammunition. The Sheriff's Office is requesting an emergency order to ensure the office has an annual supply of ammunition.

Budget Request Memo

To: Augusta-Richmond County Board of Commissioners

From: Richard Roundtree. Sheriff Richmond County Sheriff's Office

Date: February 15, 2023

Re: Ammunition Budget

We have submitted a yearly ammunition budget due to the increasing fulfillment period from the time of the order. The fulfillment period has reached an approximate 14 month turn around. We are requesting the full annual ammunition budget due to an increase of academy classes and advanced firearms training. The training division must also replace duty ammunition every two years per departmental policy.

Law Enforcement officers are required to qualify on an annual basis to maintain their certification in the State of Georgia. This agency must have the necessary ammunition to fulfill this obligation. The Richmond County Sheriff's Office SWAT team must maintain their current marksmanship and training to ensure their readiness to handle any critical incidents in the CSRA.
