Augusta Canal - Federal Energy Regulatory Commission License 2024-2025 Updates Engineering Services Contract

---

<b>Department:</b>	Utilities
<b>Presenter:</b>	Chad Hendrix
<b>Caption:</b>	Motion to approve Engineering Services Contract with Cranston LLC to provide services related to the Federal Energy Regulatory Commission (FERC) license for the Augusta Canal in the amount of \$384,610.
<b>Background:</b>	Augusta Utilities Department is currently a license applicant with the Federal Energy Regulatory Commission (FERC) for operation of the Augusta Canal. This contract will assist AUD with preparation and maintenance of the plans and programs required by FERC. Cranston LLC has previously provided these FERC required services and this would be a renewal of those services for two years.
<b>Analysis:</b>	Approval of this contract will allow AUD to meet the requirements of the FERC during our application process. This contract will meet all requirements of our FERC license application for the next two years.
<b>Financial Impact:</b>	Funds are available in account 507043410-5212115/80320115-5212115
<b>Alternatives:</b>	No practical alternative
<b>Recommendation:</b>	We recommend approval of the contract with Cranston LLC.
<b>Funds are available in the following accounts:</b>	Funds are available in account 507043410-5212115/80320115-5212115
