### Project Description

This project contains two (2)ALIs to aid and assist Augusta Transit in its operations. The funds will be used for capital purchases for surveillance and security. All purchases will be separate contracts. The Recipient or Sub-recipient (when applicable) will follow all 3rd party procurement policies as defined in C4220.1F (Third Party Contracting Guidance).

### Project Benefits

The improvements to the security system, and purchasing of miscellaneous bus support equipment will improve transit's ridership experience by making them feel safe, comfortable with their ride.

### Additional Information

Augusta Transit strives to enhance its image in the community and provide safe, efficient, and reliable transportation service. By working to improve the correlation between service levels and current demand, service should increase.

### Location Description

Augusta Transit is located at 2844 Regency Boulevard, Augusta GA 30904. The Operations and Maintenance facility has forty parking spaces for buses with potential future expansion. The facility holds 2 buildings (Building A &B) designed for all buses maintenance services, operations, and administration functions.

Building A has two areas. Area A-A is dedicated to maintenance containing work areas, storage, shop, and a chassis wash/gas bay. Area A-B is dedicated to support the administrative functions. It has 20 office spaces which includes management offices, human resources, dispatch room, training room, flex offices and two large meeting rooms.

Building B is dedicated for the buses wash with a storage room, lube room, mechanical/electrical room and a 76-foot wash bay. Building Square Footage: Building A: 25,160 SF; Building B: 6,796 SF; Building B – Canopy area: 2,220 SF; TOTAL: 34,176 SF. There are 80 employee parking spaces, 4 visitor parking spaces and 6 handicap parking spaces for a total of 90 parking stalls and the lot is 4.9 acres in size.

## Project Environmental Findings

### Finding: Class II(c) - Categorical Exclusions (C-List)

#### Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

#### Categorical Exclusion Description

Type 07: Acquisition, installation, rehabilitation, replacement, and maintenance of vehicles or equipment, within or accommodated by existing facilities, that does not result in a change in functional use of the facilities, such as: equipment to be located within existing facilities and with no substantial off-site impacts; and vehicles, including buses, rail cars, trolley cars, ferry boats and people movers that can be accommodated by existing facilities or by new facilities that qualify for a categorical exclusion.
