<b>Presenter:</b>	Dr. Hameed Malik, Director
<b>Caption:</b>	Approve to Supplement Construction Contract with Reeves Construction Co. in the amount of \$108,712.25 for cover additional cost of Resurfacing Reynold Industrial Blvd. AE/Bid 22-237
<b>Background:</b>	Currently, Reeves Construction (Reeves) is under contract (Bid: 22-237) with Augusta, GA for resurfacing various roads in Richmond County. The Augusta Commission awarded this contract on August 2, 2022 and work is substantially completed. Reeves paved around Reynold Industrial Road approach to APAC Industrial Way, however, the primary road is also in need of paving. Reynolds Industrial Road serves several industrial & commercial operation. Recently commercial growth along this road created a significant heavy traffic burden resulting in road deterioration. Given Reeves operation proximity to the location and performed work, it is a cost effective way to complete this work by supplementing it to the Reeves resurfacing active contract.
<b>Analysis:</b>	Completing Reynold Industrial Road under Reeves active resurfacing contract is a cost effective way to complete paving of this corridor in a timely manner to minimize potential traffic safety risk. Given Reeves operations proximity to the location and performed work at its approach, it is cost effective to complete this work by supplementing it to Reeves resurfacing active contract. This cost was analyzed and determined to be reasonable and cost effective for the type of work being performed.
<b>Financial Impact:</b>	Funds are available in amount of \$108,712.25 in Engineering SPLOST VI-Resurfacing Contracts
<b>Alternatives:</b>	Not proposed
<b>Recommendation:</b>	Approve to Supplement Construction Contract with Reeves Construction Co. in the amount of \$108,712.25 for cover additional cost of Resurfacing Reynold Industrial Blvd. AE/Bid 22-237.
