MEMORANDUM

TO: Darrell White, Interim Director, Procurement Department

FROM: Ron Lampkin, Interim Director, Central Services Department

DATE: April 1, 2025

SUBJECT: Engineering – Stormwater Request to Utilize Bid #24-202 – 2024/2025 Vacuum Truck Lease

The Engineering Department – Stormwater Division currently has two vacuum truck that are leased, and it is set to expire this year. On behalf of the Engineering – Stormwater Division, Fleet Management is requesting to utilize bid #24-202, 2024/2025 Vacuum Truck Lease to replace the current vacuum trucks with a new lease for two trucks.

Since bid #24-202 is currently open and we are in process of purchasing two vac trucks for Utilities, Fleet Management contacted the vendor to confirm whether the current pricing could be held for leasing additional vac trucks for Stormwater. The vendor confirmed on March 27, 2025, that the price will be held for the purchase of two additional vac trucks for Stormwater. Fleet Management requests to lease two additional vac trucks from Environmental Products Group, in the amount of \$525,996.60 for each asset.

The Freightliner 114SD base lease cost for four years is \$467,596.60 with a \$58,400.00 full maintenance contract. The 114SD specifications have been reviewed and the department confirmed that the vacuum truck is equipped to be used for the department's day-to-day operations.

Please advise this office upon completion of notifications so that we may proceed with the acquisition process.

If you need further information or if you have any questions regarding this recommendation, please contact the Fleet Management Office at 706-821-2892.

Repairs or replacements are to be made at the selling Vector/Guzzler distributor's location or at other locations approved by the Company. In lieu of repair or replacement, the Company may elect, at its sole discretion, to refund the purchase price of any product deemed defective. The foregoing remedies shall be the sole and exclusive remedies of any party making a valid warranty claim.

This Limited Warranty shall not apply to (and the Company shall not be responsible for):

The Company reserves the right to determine, in its sole discretion, if the use of non-approved parts operates to invalidate the warranty. Nothing contained in this warranty shall make the Company liable for loss, injury, or damage of any kind to any person or entity resulting from any defect or failure in the machine.

THIS WARRANTY SHALL BE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ALL OF WHICH ARE DISCLAIMED.

This warranty is in lieu of all other obligations or liabilities, contractual and otherwise, on the part of the Company.
