Subject: [EXTERNAL] Requesting Appearance before the Board

Hello my name is Garian Henry and I am emailing this office requesting an appearance before the Board of Commissioners. As an active member of my community and am exercising my rights to publicly involve myself in discussions that concern the building up of our community. I understand that I will be given 5 minutes and I want to discuss the poor upkeep of landlords that contribute to the increase of our homeless issue and also I wanted to address the families of our community that children have to go back to school with no decent place to lay their heads such as no beds. I have spoken with over 30 people in my community and they are demanding that something be done about slum lords. And the part about the children that is my own personal journey for I will be requesting funds for that is in my right given that the LGBTQ and the St. Patrick Day parade and etc was given funds to be able to make the progress they needed to pull these events off. I would like to be informed of any date and time I am granted. My number is 706-294-7301. I look forward to hearing from this office
