Background:	<p>The Richmond County Sheriff's Office is requesting to purchase five V8 Dodge Police Chargers and one Dodge Durango.</p> <p>Dodge manufacture is in the process of redesigning the new pursuit sedan and the official model will be released in 2024. Dodge has cut off orders for the 2023 Dodge Police Chargers. Due to the delay of ordering pursuit sedans Thomson Motor Center has informed Fleet Management that they have stock inventory of 2023 Dodge Pursuit Chargers and a Durango available for purchase. Fleet is requesting to purchase from Thomson Motor Center's stock inventory because we are projecting to not be able to purchase any pursuit sedans until 2024 quarter 4, at the earliest. Once the Commission has approved the order, Fleet Management will acquire the purchase order and submit it to the vendor for securing the purchase.</p> <p>Fleet Management has provided a list of totaled vehicles and qualified replacement vehicles according to the Fleet Management Operations, Maintenance and Replacement Policy stating any public safety vehicles that are over 125k are eligible for replacement. Fleet Management will determine the surplus vehicles at the time of delivery based upon priority of totaled vehicles, mechanically disposed and vehicles over 125K miles. In the instance that the vendor has 2023 Dodge Police Chargers when 2024 SPLOST VIII Public Safety allocation is available, Fleet Management will request to purchase.</p>
