Caption:	Motion to approve Supplement funding (SA2) to Infrastructure Systems Management, LLC in the amount of \$295,420.23 for the Greene Street Improvements Construction Phase Services (CEI & Construction Rescoping). Requested by Engineering / RFP 18-312. (Approved by Engineering Services Committee April 25, 2023)
Background:	The Greene Street Improvements is a project from the “Approved Investment List” of TIA that was approved by voters of the CSRA in July 31, 2012 referendum. Greene Street is a Band 3 project. The project improvements consist of improving roadway safety by resurfacing, reconstructing the existing curb and gutter, replacing sidewalks and improving the storm water system. The project will improve pedestrian safety at intersections with new high visibility crosswalks. New street landscaping will be provided, where possible, to enhance pedestrian use and improvement in roadway aesthetics. Project construction contract awarded to Reeves Construction on March 7, 2023 and construction will commence soon. Construction Phase requires design related coordination with utilities, resolution of constructability conflicts, review of contractor construction documents submittals, and request for field information (CEI) that warrants design engineer services.
Analysis:	Project is in construction. On April 2, 2019 Augusta Commission approved award of design phases the project to Infrastructure Systems Management, LLC (ISM). This supplemental agreement covers services during construction phase for contractor request for field information, utility conflicts assessment & resolution, field engineering, and attending construction progress meetings. Services also include construction rescoping of road 13th Street to 5th Street segment.
Financial Impact:	Funds in amount of 295,420.23 are available in Project TIA funds.

Alternatives: Do not approve and find alternative to perform CEI services.

Recommendation: Approve Supplement funding (SA2) to Infrastructure Systems Management, LLC in the amount of \$295,420.23 for the Greene Street Improvements Construction Phase Services (CEI & Construction Rescoping). Requested by Engineering / RFP 18-312.
