Mrs. Bonner,

Below is the response I received from Mr. Robinson with the FAA – he said the original date was May 21st. Is this format acceptable? We would very much appreciate this item being added to the Augusta Commission tomorrow. I have attached the cover sheet for the grants (this is the same item I send last week).

Thank you,

Jennifer Humphrey

Jennifer,

Thanks for the call. Please ignore the May 21st date. The official date for each grant is located on the cover letter page. Below is a screenshot as an example so you have some time to get the final signatures. It appears neither the mayor or attorney has signed the agreements at this point.

4. On the **same day or after** the authorized representative has signed the grant, the sponsor attorney(s) will add their electronic signature to the appropriate certificate at the end of the agreement.
5. If there are co-sponsors, the authorized representative(s) and sponsor's attorney(s) must follow the above procedures to fully execute the grant and finalize the process. Signatures must be obtained and finalized no later than **June 06, 2025**.
6. The fully executed grant will then be automatically sent to all parties as an email attachment.

Please let me know if you need anything else.

Thanks

Joseph Robinson

Dear Mr. Robinson,

The Augusta Commission is requesting documentation that the deadline for submission for FAA Airport Terminal Program (ATP) Grant and Airport Infrastructure Grant (AIG) is May 21, 2025. Can the FAA provide documentation of the May 21, 2025, deadline that we can forward to the Augusta Commission.

Thank you in advance for your time and consideration.

Kind Regards,

Jennifer Humphrey

Meeting Date: 05/20/2025

**Airport Acceptance of FAA Airport Terminal Program (ATP) Grant
and Airport Infrastructure Grant (AIG)**

Department: Augusta Regional Airport

Presenter: Herbert L. Judon, Jr., Airport Executive Director

Caption: Motion for acceptance and approval to authorize the Mayor to fully execute the Federal Aviation Administration (FAA) Airport Terminal Program (ATP) Grant # AIP-3-13-0011-059-2025 and Airport Infrastructure Grant (AIG) # AIP-3-13-0011-060-2025.

The federal share of these grants are approximately \$5,047,925 (\$4,000,000 ATP, and \$1,047,925 AIG) respectively.

Background:

The Augusta Regional Airport (AGS) is requesting expedited acceptance and execution of the Federal Aviation Administration (FAA) grant package. These grants were just released on Friday, May 9, 2025 and must be completed and returned within two weeks.

These FAA/federal grants are part of the Airport Terminal Program (ATP) and Airport Infrastructure Grant (AIG) programs slated to fund the upcoming AGS Passenger Checkpoint Modernization project. The grant execution is a required prerequisite to the subsequent construction notice to proceed (NTP). Both are time sensitive as it is the Airport's goal to substantially or fully complete the passenger checkpoint modernization project prior to the 2026 Masters® Golf Tournament. Completion of this construction project is also a prerequisite for the receipt, from the TSA, of additional screening equipment for the expanded lane footprint.

Through a competitive process, AGS was awarded the ATP grant in late 2024. The AIG grant, a subset of the 2021 Bipartisan Infrastructure Law (BIL) is a 5-year program--each of the 5 years providing an additional allocation of the Airport's annual Federal Entitlement ("a double entitlement"). Release and execution of these grant agreements were delayed until last week (May 9) as the grant language was under review by the new administration.

Analysis:	This expedited action has precedent; In 2018-2019, the Augusta Commission passed a resolution action allowing the Mayor to preemptively execute short-turnaround Airport grants of this nature.
Financial Impact:	N/A
Alternatives:	N/A
Recommendation:	Acceptance and approval to authorize the Mayor to fully execute the Federal Aviation Administration (FAA) Airport Terminal Program (ATP) Grant # AIP-3-13-0011-059-2025 and Airport Infrastructure Grant (AIG) # AIP-3-13-0011-060-2025.
