<b>Department:</b>	Engineering & Environmental Services
<b>Presenter:</b>	Hameed Malik, Director
<b>Caption:</b>	Approve Supplement funding to Goodwyne, Mills & Cawood (GMC) for SA 1 in the amount of \$65,721.00 and SA2 in the amount of \$78,666.00 for a total of \$144,387.00 for the 13th Street & Telfair Street Improvements TIA Projects Construction Phase Services (CEI). Requested by Engineering / RFP 18-266
<b>Background:</b>	The Telfair Street & 13th Street Improvements are projects from the “Approved Investment List” of TIA that was approved by voters of the CSRA in July 31, 2012 referendum. These are Band 3 projects. The project improvements consist of improving roadway safety by resurfacing, reconstructing the existing curb and gutter, replacing sidewalks and improving the storm water system. The project will improve pedestrian safety at intersections with new high visibility crosswalks and organize the existing parallel parking. Project is in letting and construction will commence soon. Construction Phase requires design related coordination with utilities, resolution of constructability conflicts, review of contractor construction documents submittals, and request for field information (CEI) that warrants design engineer services.
<b>Analysis:</b>	In May 2019, commission approved award of design phase of the project to GMC. The project is now ready for construction. This supplemental agreement covers services during construction phase for contractor request for field information, utility conflicts assessment & resolution, field engineering, and attending construction progress meetings.
<b>Financial Impact:</b>	TIA-Discretionary Funds in amount of \$144,387.00.
<b>Alternatives:</b>	Do not approve and find alternative to perform CEI services.
<b>Recommendation:</b>	Approve Supplement funding (SA1 and SA2) to Goodwyne, Mills & Cawood (GMC) in the amount of \$144,387.00 for the 13th Street & Telfair

Street Improvements TIA Projects Construction Phase Services (CEI).
