| <b>Caption:</b>                                       | Receive as information the emergency rental of portable Generators for 1 month for Storms and Ft. Gordon Power Outage.                                                           |
| <b>Background:</b>                                    | Herc was the only Vendor who could supply the number of generators needed and size before potential Storm/Hurricane hit and to be used for scheduled Power outage on Ft. Gordon. |
| <b>Analysis:</b>                                      |                                                                                                                                                                                  |
| <b>Financial Impact:</b>                              | “This is an emergency request, and a PO was requested due to the time sensitiveness of the repair. Therefore, this agenda is for your information only”..                        |
| <b>Alternatives:</b>                                  | No Alternative as equipment has already been rented.                                                                                                                             |
| <b>Recommendation:</b>                                | Approve this Rental to Herc Rentals                                                                                                                                              |
