Other fees, such as “credit card fees”, “processing fees” or “surcharges” for example, are not allowed by the issuer regulations and are therefore not permitted on credit cards or related accounts. Fees will be reviewed on independent basis.

According to VisaCard’s Card Acceptance and Chargeback Management Guidelines for Merchants (Merchants is synonymous with Vendors) available on VisaCard’s website, credit card surcharges are not allowed. Merchants “may not impose any surcharge on a VisaCard transaction.” Convenience fees, however, are allowed under certain circumstances. Fees will be reviewed on independent basis.

According to the website:

For merchants who offer an alternate payment channel (i.e., mail, telephone, or ecommerce) for customers to pay for goods or services, a convenience fee may be added to the transaction amount. If the merchant chooses to assess a convenience fee to its customers, the merchant must adhere to the following rules:

- The fee is being charged for a bona fide convenience of using an alternative payment channel outside the merchant’s normal business practice.
- The fee:
 - must be disclosed to the customer as a charge for the alternative payment channel convenience
 - is applied only to non-face-to-face transactions
 - must be a flat or fixed amount, regardless of the amount of the payment due
 - is applied to all forms of payment products accepted in the alternative payment channel
 - is included as part of the total transaction amount
 - cannot be added to a recurring transaction

- is assessed by the merchant that provides the goods or services to the cardholder and not a third party

The customer must be given the opportunity to cancel prior to the completion of the transaction. VisaCard is very clear about what a convenience fee is and how and when they can be charged. As a result, many vendors that charge fees do so incorrectly and are therefore out of compliance with VisaCard regulations.

Examples of common violations of VisaCard's convenience fee policy include, but are not limited to, the following:

- Charging a tiered or percentage-based fee. Only a flat fee regardless of the transaction amount is allowed.
- Charging a fee for transaction below or above a certain dollar amount. Convenience fees must be charged on all transaction regardless of amount.
- Charging the fee in person, for face-to-face or point of sale transactions. The fees can only be applied to transactions via the mail, telephone or internet.
- Charging only for VisaCard or credit card transactions. Convenience fees must be applied to all payment methods accepted via that channel.
- Calling the fee, a "processing fee", "credit card fee", "surcharge" or anything other than a "convenience fee". The fee is designed to offset the cost of the convenience, not the cost of accepting credit cards.
- Charging higher prices for credit card purchases versus checks or cash. **Note:** Vendors may offer a "cash discount" to customers paying with cash, in person.
- Charging a convenience fee via the internet when that is the vendor's only "normal business practice". If the vendor only sells on the internet, there is no convenience versus coming in to a retail location, so no convenience fee can be charged. There are many ways a vendor's actions can fall outside VisaCard's guidelines. As such, only vendors in compliance with the guidelines shall be allowed to receive convenience fees via the P-Card and/or related accounts.

One example of an allowable convenience fee is a utility that charges a convenience fee for paying a bill via the phone or internet versus having to come to an office and drop off a payment. As long as the convenience fee is a flat fee and is charged to all transactions accepted via the phone or internet (such as all card types, electronic checks, etc.), it is acceptable on a P-Card/Credit Card transactions.

Convenience fees charged in accordance with the VisaCard guidelines quoted above are permitted on these cards or related accounts. All other charges, surcharges or fees are prohibited and should not be paid with a Credit Card or related accounts. Violations of the VisaCard guidelines should be reported to the Augusta Card Administrator or his/her designee(s) as merchants can be reported to VisaCard through Cadence Bank.

SECTION XVII. Ghost Card Accounts

The term "Ghost Cards" refers to a cardless account established for the payment of monthly or other periodic charges to an established vendor of an Augusta entity. In cooperation with the Augusta Cards Program Manager and the Bank, an entity's Program Administrator may establish a Ghost Card account with an identified vendor used to pay recurring charges based on services or goods purchased periodically (including monthly) from the vendor through an entity contract, statewide contract, a sole source/mandatory source purchase or for other allowable purchases. Ghost Cards provides a secure payment method restricted for use with the identified vendor and secured through numerous account restrictions including spending limits, Merchant Category Code (MCC) restrictions and the absence of a physical card.

Please contact the Augusta Card Administrator or his/her designee(s) for more information on Ghost Cards or for assistance in setting up Ghost Card accounts.

SECTION XVIII. Program Compliance

1. Internal Controls

Each Cardholder must establish a control structure that ensures compliance with Augusta, Georgia Procurement Code, State and Federal Laws and the Purchasing Card Policy.

Internal controls must include:

- a. Appropriate separation of duties between making transactions (cardholders) and payment of the monthly billing statement (Accounts Payable).
- b. Independent review of all account maintenance activity received on monthly statement. Statements are to be signed by the User and must provide the appropriate account number to be charged.
- c. Appropriate hierarchical review and approval of purchases by someone with supervisory authority over the cardholder and/or with the authority to question purchases if needed.
- d. No cardholder can provide approval for payment for his/her transactions or of the corporate monthly billing statement. Review and approval responsibilities cannot be delegated to someone else.
- e. Provision for an annual independent audit or review of the purchasing card program by the Card Administrator, Finance Department, or other assigned audit responsibilities. Reviews must address:
 - a. Adequacy of internal policies and procedures.
 - b. Appropriateness of cardholder spending limits.
 - c. Adequacy of review, reconciliation, and payment procedures; and
 - d. Adequacy of documentation for transactions.

2. Cardholder Spending (Credit) Limits

Spending limits enable management to provide cardholders with the purchasing power to accomplish the needs of the job without exposing Augusta to unnecessary risk. Spending limits should be based on job responsibilities of the cardholder and/or of the job title. Cardholder spending limits must be reviewed at least annually to determine that actual usage is consistent with spending limits.

3. Account Issuance Requirements

- a. Issuance is limited to one credit card per cardholder.
- b. Cardholders must be permanent full-time Augusta employees whose job requires the use of a credit card or related account. There will be no exceptions to the following:
 - Neither cards nor accounts will be issued to part-time or temporary workers, or contractors.
 - Cards and related accounts will not be issued in the name of a department or work unit to be shared by multiple employees.
 - Neither cards nor related accounts will be issued to employees of foundations associated with any Entity.
- c. The Card Administrator or his/her designee(s) must approve a cardholder's application for a credit card or related account.
- d. All training requirements as described in this Policy must be met before an employee/elected official receives a credit card or is given access to a related account.

SECTION XIX. Legal Issues

1. Failure to Comply with Laws, Policies, and Procedures

Cardholders or approving officials who knowingly, or through willful neglect, fail to comply with the following may be subject to suspension or termination of account privileges or other disciplinary action, up to and including termination of employment and criminal prosecution to the fullest extent of the law.

- Official Code of Georgia, Annotated (O.C.G.A. §50-5-80 and §50-5-83), sections related to governmental purchasing
- Applicable requirements of the Augusta, Georgia Procurement Code
- Augusta, Georgia Credit Card Policy

The Card Administrator reserves the right to withdraw any authority or delegated approval due to non-compliance with applicable laws, rules, regulations, policies, and procedures, or the terms of any conditional approval.

2. Competitive Solicitation

- a. O.C.G.A. §50-5-69 requires competitive bidding for all open-market purchases anticipated to be \$25,000 or more. However, O.C.G.A. § 50-5-83 sets the legal Single Transaction Limit for a credit card transaction at \$5,000 unless made against a Statewide Contract or in compliance with Augusta procurement policy. Use of the credit card as a method of payment does not relieve the program participant or the Entity of these responsibilities.
 - As stated above, **Department Directors** have a single transaction limit set at \$1,000.00 and the monthly card limit must be based on the city's budgetary constraints and must not exceed \$5,000.00.
 - **All Other Department Director Designees:** The single transaction limit is set at \$500.00, and the monthly limit must not exceed \$5,000.00.
 - Cardholders are prohibited from splitting a transaction between two or more transactions or accounts in order to circumvent any Single Transaction Limit, regardless of the level.
- b. In order to remain compliant with Georgia Law, where job responsibilities require department directors or their designees to make single purchases of \$5,000 or more, the Augusta Card Administrator can approve Single Transaction Limits over \$5,000.
- c. Cardholders who need to make open-market purchases of \$5,000 or more must use the appropriate bid process for any purchase greater than or equal to \$5,000. Complete bid requirements are found in the Augusta Procurement Code.
 - i. For any purchase of \$5,000 or more, cardholders must use the Georgia Procurement Registry to obtain bids from the appropriate number of bidders.
 - ii. One-time approval to exceed \$5,000 will be granted upon submission of proof of the competitive bid process. Transaction documentation must include evidence of the appropriate bid process and be available for audit by the Augusta Card Administrator or designated personnel.

3. Payment of Augusta Sales and Use Tax

- a. O.C.G.A. §48-8-3(1) exempts purchases made by Agencies from Sales and Use Tax when payment is made with appropriated funds.
- b. Cardholders must present the Department of Revenue Sales and Use Tax Exemption, Form ST-5, to merchants upon request. This form may be obtained through the Procurement Department.
- c. Cardholders are responsible for ensuring that merchants do not charge tax.
 - i. If taxes are charged, the cardholder must contact the merchant to obtain a credit to the account.
 - ii. Credits cannot be obtained by any other method, including, but not limited to, cash, gift card, gift certificate, or store credit.
 - iii. Documentation of attempts to obtain credit for any Augusta Sales and Use Tax charged in error must be maintained with the documentation for the transaction where the tax was charged.

4. Records Retention Requirements

The Card Administrator will designate responsibility for Records Retention for all transactions under this Program.

1. Documents related to transactions are accounting records and must be maintained according to the requirements of Accounts Payable Files.
2. Documents related to the issuance of accounts to employees are accounting records and must be maintained according to the requirements.
3. Statements will be attached to Purchase Orders.

5. Internal Revenue Service 1099 Reporting

Effective in 2011, the IRS announced changes to the Internal Revenue Code, Section 6050W, which affects sections 6041 and 6041A of Internal Revenue Service rules. This change shifts the burden of payment reporting requirements to the credit card account transaction acquirer's bank (the supplier's merchant bank) instead of the card end users when credit cards are used as the form of payment for reportable transactions. As a result, beginning with transactions that occur in 2011 and are reportable beginning January 2012, Augusta program participants are no longer required to report P-Card transactions. Instead, the acquiring banks that process the transactions for suppliers will assume this responsibility. This change applies only to credit card transactions – ***reporting for all other payment methods including checks, ACH and others will remain the responsibility of the entity making payment.*** Please consult the tax specialists in your entity for further information and details regarding these changes.

SECTION XX. Terms

The card shall be promptly returned to the Card Administrator in the event of such termination. The Elected Official's obligations of this agreement shall survive the termination of this agreement.
