

Public Services Committee

Meeting Date: July 28, 2026

Emergency procurement for HVAC Cages (Jamestown)

Department:	Recreation and Parks
Presenter:	Tameka D. Williams
Caption:	Motion to receive as information an emergency procurement pursuant to Section 1-10-57 of the Augusta, Georgia Procurement Code for services by AAA Iron and Fabrication, in the amount of \$27,000.
Background:	In order to eliminate future theft, immediate safety measures are vital to securing the HVAC units. In accordance with the emergency procurement provisions outlined in Section 1-10-57 of the Augusta, Georgia Procurement Code, the Recreation & Parks Department initiated emergency contracting for HVAC services to address this urgent need. AAA Iron and Fabrication was engaged to provide these services due to their availability, capacity, and proven track record with similar municipal projects. The procurement has already been executed under emergency authority in the amount authorized.
Analysis:	The emergency procurement was necessary to protect city equipment, prevent further damage or theft to public property. Due to the urgent nature of the work, formal bidding procedures were bypassed under the emergency procurement authority. This motion serves to formally acknowledge and receive the details of this procurement as information.
Financial Impact:	The emergency work was completed for a total cost of \$27,000.
Alternatives:	N/A
Recommendation:	Receive as information the emergency procurement for services to secure HVAC units provided by AAA Iron and Fabrication, under Section 1-10-57 of the Augusta, Georgia Procurement Code, in the amount of \$27,000.
