Ms. Bonner,

The attached Public Transit Safety Plan requires the Commission's approval no later than January 31, 2024. As a result of this deadline, I am requesting the attached agenda outline and corresponding documents be placed on the Special Called Meeting agenda for such consideration.

As this action is required to obtain federal funding from the Federal Transportation Administration, it is deemed of the utmost importance and an emergency.

Your consideration regarding this request is greatly appreciated.

Thanks,
