

Commission Meeting

February 21, 2023

Workers Compensation Administration Services

Department:	Finance – Risk Management Division
Presenter:	Donna Williams
Caption:	Motion to approve continued service with Workers Compensation Provider, CorVel, for renewal for Year 4.
Background:	Augusta issued RFP 20-123 for third party administration of Worker Compensation Services. Contract was awarded to Corvel in February 2020 for a three-year term with two one-year extensions.
Analysis:	Corvel has provided quality services in this area. We recommend exercising the first one-year extension of this contract.
Financial Impact:	\$90,000 for contract term 3/1/23-2/29/24
Alternatives:	Consider new RFP for Worker Compensation Administration Services.
Recommendation:	Approve current vendor, Corvel, for 1-year renewal, year 4 of existing contract 3/1/23-2/29/24.
