Caption/Topic of Discussion to be placed on the Agenda: *

Under the new EPA rules, toxic chemicals will be allowed to remain in our drinking water systems. A deregulation effort is fully underway to remove even more regulations on our drinking water. As stated by our very own water utilities department whose tagline is "water is life" I quote from their UMCRA 2025 drinking water report

"Another proposed rule would...rescind

drinking water regulations for PFHxS, PFNA, HFPO-DA (commonly known as GenX), and the Hazard Index mixture of these three PFAS plus PFBS."

Why are you not warning the public that the toxic chemicals found in our water supply are not going to be regulated? Why are you not fighting for our clean water?

Requests must be received in the Clerk's Office no later than 9:00 a.m. on the Thursday preceding the Commission and Committee meetings of the following week. A five-minute time limit will be allowed for presentations.

Meeting location:

Lee N. Beard Commission Chamber, 2nd Floor
Augusta, GA Municipal Building
535 Telfair Street
Augusta, GA 30901

Submission Date

8/9/2026 10:10 AM
