WHEREAS, through the Smith-Lever Act of the U.S. Congress of 1914, an Agreement was created between The Board of Regents of the University System of Georgia, the University of Georgia, the University of Georgia Cooperative Extension and the U.S. Department of Agriculture, to allow for Extension work to be conducted in the State of Georgia; and

WHEREAS, for over 100 years UGA Extension has offered services in all 159 counties in the State of Georgia; and

WHEREAS, UGA Extension is able to maintain and operate these programs through the use of UGA Extension personnel; and

WHEREAS, UGA Extension and the County agree that the services provided by UGA Extension Personnel are invaluable to the County's citizens and community; and

WHEREAS, the County Board of Commissioners is authorized under Article 9, Section 3, Paragraph 1, and Article 9, Section 4, Paragraph 2, of the Constitution of the State of Georgia as amended in 1983, and by O.C.G.A. § 20-2-62 and O.C.G.A. § 48-5-220 to enter into agreements providing for these types of services; and

WHEREAS, all parties agree that it is necessary and appropriate to define the types of UGA Extension operations and personnel and establish parameters for compensation so that all parties are clear on their respective responsibilities and duties;

NOW, THEREFORE, the Parties agree as follows:

I. OPERATIONS

UGA Extension and the County will support all County Extension personnel operationally as set forth in this MOU regardless of employee compensation status.

A. UGA EXTENSION agrees to the following:

1. UGA Extension shall annually appoint a member of the County Extension personnel to serve as the County Extension Coordinator. The Coordinator shall be responsible for the total County Extension program, staff coordination and supervision, and all communications and transactions between the County and the County Extension staff.
2. UGA Extension shall provide County Extension personnel with the necessary educational materials needed for an effective program. UGA Extension also agrees to plan, implement and conduct training as necessary to keep County Extension personnel adequately prepared to conduct effective, relevant Extension programs.
3. UGA Extension shall reimburse all County Extension personnel directly for expenses incurred for officially designated travel authorized by the District Extension Director.
4. UGA Extension shall support County Extension personnel and the Extension program in the County with necessary assistance of District and State subject matter and supervisory personnel and other resources as available from the University of Georgia, the University System of Georgia, and other agencies and organizations with whom UGA Extension cooperates.
5. UGA Extension shall report to the County Board of Commissioners at regular intervals on the nature of the County Extension program and progress being made.

B. The COUNTY agrees to the following:

1. ***Office and Infrastructure.*** The County shall provide a suitable County Extension office with the suitability of the office to be agreed on by all parties. As a part of the County's budgeting process, the County further agrees to provide sufficient funds to pay for all necessary office supplies, office equipment, telephone, utilities, data communication/networking (including broadband internet connectivity, where available), postage, demonstration materials, janitorial service and other items necessary for the operation of an effective Extension education program. See **Addendum D** for Information Technology (IT) systems and support specifications.
2. ***Vehicles and Travel.*** The County shall furnish a county government vehicle or reimburse the travel expenses of County Extension personnel for official travel in the county or on behalf of Richmond County. The reimbursement shall be paid by the County directly to County Extension personnel unless some other method is agreed upon in writing by UGA Extension and the County.

3. ***Annual Review.*** The County shall evaluate financial support to the operations of UGA Extension annually, including compensation of personnel, make adjustments as necessary for continued effective support, and shall notify the UGA Extension of these adjustments. The County Extension Coordinator will prepare and submit for approval an annual operating budget to the County according to standards set by Board of Commissioners for all county departments.

II. COMPENSATION

The UGA Cooperative Extension personnel shall be categorized based on the method of compensation they are associated with, as set forth in the attached addendums (A, B, and C). UGA Extension and the County shall identify and agree upon the appropriate compensation method and personnel relationship for each employee. The following three options are available (CHECK ALL THAT APPLY):

UGA Extension will provide the County with a copy of any and all such audits relating to the County Extension office, personnel, and/or operations upon request by the County.

The reimbursement to UGA Extension for the County's portion of this benefit will be made to the UGA Extension in the full amount within fifteen (15) days of receipt of the statement.

The County portion of employee salaries should be adjusted annually based on performance and/or cost of living increases typical of other County employees in accordance with the County's generally applicable rules or conditions for such adjustments. This adjustment should be reported to UGA Extension 30 days prior to effective date. UGA will not allocate any percentage salary increase on the County portion of the employee's salary.

9. The County agrees to pay its share of the annual leave payment in accordance with University of Georgia and UGA Extension leave policies when an employee terminates employment through resignation or retirement during the term of this MOU and chooses to take a lump-sum payment for accumulated annual leave.
