

## Public Safety Committee

Meeting Date: July 11, 2023

Motion to approve the purchase of Downtown Video Security Enhancements

---

<b>Department:</b>	Richmond County Sheriff's Office
<b>Presenter:</b>	N/A
<b>Caption:</b>	Motion to approve the purchase of Downtown Video Security Enhancements
<b>Background:</b>	On December 8, 2020, SPLOST 8 recommendations were released. On April 5, 2023, RCSO was informed funding was available to move forward with the project. The Richmond County Sheriff's Office has contacted vendors on the approved state contract list for quotes. A3 communication has provided the quote and pricing to move forward with RCSO request for the downtown video security enhancements.
<b>Analysis:</b>	The need for the project is essential for downtown security. Numerous events are held in the downtown area along with the numerous establishments downtown that draw large amounts of patrons. Police are not everywhere all the time; a camera system would greatly assist law enforcement in maintaining order in the downtown area.
<b>Financial Impact:</b>	SPLOST 8 funds are available for this project
<b>Alternatives:</b>	N/A
<b>Recommendation:</b>	RCSO recommends approving A3 communication for the Downtown Camera project. Three quotes were provided per the state contract guidelines.
<b>Funds are available in the following accounts:</b>	330-03-1130/5426120 JL: 223-03-9101
<b><u>REVIEWED AND APPROVED BY:</u></b>	N/A
