Funds for Asphalt Patch Repair, Concrete Curb and Sidewalk Replacement Contract Extension

---

<b>Department:</b>	Utilities
<b>Presenter:</b>	Wes Byne, Director
<b>Caption:</b>	Motion to <b>approve</b> funds for extending the contract with Blair Construction, Inc. to perform asphalt patch repair, concrete curb and sidewalk replacement for the Utilities Department. ( <b>Approved by Engineering Services Committee February 13, 2024</b> )
<b>Background:</b>	These services were contracted through Bid 22-178 and awarded to Blair Construction, Inc. Augusta Utilities Department (AUD) uses these services when repair of underground assets requires removal of asphalt or concrete. By utilizing an on-call contractor, the time is reduced that a road cut or sidewalk cut remains unrestored. Expedient repairs to the roadway and sidewalk limits the potentially negative impact on our customers and community.
<b>Analysis:</b>	Blair Construction has performed well and it would be very beneficial to AUD's operations to exercise the option to extend this contract. AUD requests approval for \$383,000.00 to fund the contract extension in accordance with AUD's budget.
<b>Financial Impact:</b>	\$383,000.00
<b>Alternatives:</b>	No alternatives are recommended.
<b>Recommendation:</b>	Recommend approval of funding in the amount of \$383,000.00 for Utilities Department to extend these contracted services with Blair Construction, Inc.
<b>Funds are available in the following accounts:</b>	Funds are available in account: 506043410-5311920.
