

Public.Services.Committee.Meeting

Meeting Date: 04/14/26

Augusta Regional Airport (AGS) – StandardAero Ramp Rehabilitation – Phase II / CO #1 to E.R. Snell Contracting, Inc.

- Department:** Augusta Regional Airport (AGS)
- Presenter:** Herbert L. Judon, Jr.
- Caption:** Augusta Regional Airport (AGS) – Motion to approve Change Order #1 to E.R. Snell Contracting, Inc, in the amount of \$(314,735.75).
- Background:** E.R. Snell Contracting, Inc. is currently contracted to rehabilitate Phase II of the StandardAero Ramp. Change Order #1 incorporates final as-constructed quantities and includes work mutually agreed upon by the Airport, StandardAero and the E.R. Snell Contracting, Inc. The scope of additional work entailed removing extra asphalt between the hangar slab and the proposed trench drain to facilitate a seamless grade transition. Mead & Hunt has evaluated the items originally excluded from the contract provided by ER Snell and finds that the costs associated are acceptable and within the unit prices provided as part of the original contract and/or within the industry. AGS provided verbal approval in January to complete the work. This change order revises E.R. Snell’s contract to \$560,110.75.
- Analysis:** This Change Order will result in a net reduction to the overall project, which will amend ER Snell’s contract total to \$560,110.75.
- This Change Order has been reviewed by Airport Legal Counsel, Mr. Robert Kerr.
- Financial Impact:** This project is funded by the Airport Enterprise Fund.
- Alternatives:** N/A
- Recommendation:** Approve Change Order #1 to E.R. Snell Contracting, Inc, in the amount of \$(314,735.75).
- Funds are available in the following accounts:** N/A

**REVIEWED AND
APPROVED BY:**
