Meeting Date: 3/24/2026

Approve AUD Itron Contract Amendment

---

<b>Department:</b>	Utilities
<b>Presenter:</b>	Wes Byne, Director
<b>Caption:</b>	Approve Second Contract Amendment with Itron (24-161/25AUA189)
<b>Background:</b>	AUD has a current contract with Itron Inc for Advanced Metering Infrastructure hardware and services. This amendment is to add pipe asset management tools and capabilities to the contract.
<b>Analysis:</b>	Itron and a partner company, VodaAI, offer a free pipe asset management risk modeling service for 1 year as an included item with the use of Temetra. This service when used in conjunction with other tools and services procured by AUD will allow for more robust system modeling and analysis of potentially problematic pipe assets and improve AUDs ability to proactively prevent issues. In year 2 there is an associated cost should AUD elect to continue to use.
<b>Financial Impact:</b>	N/A
<b>Alternatives:</b>	None
<b>Recommendation:</b>	Approve contract amendment.
