SUBJECT: Emergency Sole Source Justification Sierra Container Group (HELENE)

The Environmental Services Department is requesting an emergency sole source for Sierra Container Group. Sierra manufactures and supplies household refuse (garbage) carts. Our normal cart supplier Otto Environmental Systems is unable to deliver the carts due to upgrading machinery and retooling their factory. Hurricane Helene damaged vast numbers of household refuse carts that need to be replaced. Currently there are numerous citizens within Richmond County that do not have any way to dispose of their garbage without a refuse cart. Our refuse cart inventory is extremely low currently and Otto Environmental is unable to deliver for several months. Therefore, we respectfully request an emergency sole source for Sierra Container Group to supply refuse carts which have been lost or damaged by Hurricane Helene in a timely manner to meet the needs of our Richmond County residents.

Thank you in advance for your time and attention. Please feel free to contact me at 706-592-3206 should you have any questions or require any additional information.
