July 4, 2023

Fireworks

Pyro Shows East Coast is pleased to submit the following customized Independence Day firework proposal to **Augusta, GA - Recreation and Parks Department.**

At Pyro Shows, our mission is to provide an *EPIC* fireworks event to excite and delight your audience while attracting a larger number of spectators to your venue!

Pyro Shows places great emphasis on product value, quality, and performance. Our dedicated diligence behind the scenes ensures the outstanding results that we love to provide.

Enjoy reviewing this proposal and remember, “customization” is the key. We will be happy to make adjustments to the proposal to achieve your vision of the show.

About Us

Pyro Shows is celebrating 50+ golden years! Before our corporate office in Tennessee and our additional offices in Texas and Alabama, we had to start somewhere. That place in time was 1969 when Lansden Hill began a professional fireworks service. Rave reviews of the shows would prove that he appropriately named the company **Pyro Shows**. With each passing year of business, Pyro Shows maintained the momentum and achieved success both nationally and internationally.

A brief description of the Pyro Shows team of professionals is much like describing a fireworks show:

"It takes many layers of time and talent to result in a safely executed, spectacular show."

2019 marked the 50th year in business that Pyro Shows has successfully performed fireworks. From Sweden, to Spain, and from Abu Dhabi in the UAE, to Taiwan, Pyro Shows has shared talent and expertise with millions of people around the world. That is a legacy of happiness generated by fireworks!

Time after time, we see the shock on faces who realize the behind-the-scenes time and effort that goes into (literally) every show.

Fireworks 101

The bigger the boom, the bigger the break.

The higher a firework shell climbs in the sky and the bigger the burst is directly related to the shell diameter size. (That's pyrotech talk.)

Basically, a 10 inch shell goes 700 feet higher than a 3 inch shell which goes 300 feet high.

Size of shell = Climb Time and Size of "Break"

PYROfessionals

We're good at what we do because we do what we LOVE.

At Pyro Shows, we believe that the mark of a good fireworks company is not the absence of an occasional “dud”, but what we **DO FOR** **YOU** if there is a “dud”.

Thank you for reviewing Pyro Shows East Coast response to Request for Quotes for Augusta, GA - Recreation and Parks Department.

We look forward to hearing from you and would be honored to work for you.
