13th Street Improvements Project

(Reynold Street to Walton Way)

Roadway Railroad Crossing Improvements-CSX Construction Agreement

TIA Project#RC07-001223/PI#0011424

File Reference: 23 – 014(T)

---

<b>Department:</b>	Engineering & Environmental Services
<b>Presenter:</b>	Dr. Hameed Malik
<b>Caption:</b>	Approve entering into an agreement with (CSXT) CSX TRANSPORTATION, INC. Company stating that Augusta, GA will pay for the Construction Engineering, Inspection, and Flagging protection services, for the 13th Street Improvements Project in accordance with the estimate \$49,509.00. Also, approve the Construction Agreement to be executed by the Augusta, GA Legal Counsel and the Mayor. Requested by Engineering
<b>Background:</b>	13th Street Improvements is a project from the “Approved Investment List” of TIA that was approved by voters of the CSRA in July 31, 2012 referendum, approved by GDOT, and presently in construction phase. This project consists of resurfacing, reconstructing the existing curb and gutter, replacing sidewalks, improving pedestrian safety at intersections with new visibility crosswalks. These roadway improvements are in close proximity to CSXT railroad tracks at 13th near Fenwick St. that warrants coordination to ensure passing trains safe mobility and safe construction zone.
<b>Analysis:</b>	Railroad coordination is required to ensure rail tracks safety and advance project construction schedule. Augusta would be required to enter into an agreement that Augusta will pay the estimated amount of \$49,509.00 to CSX for CSX services that are needed during construction work at and around railroad tracks.
<b>Financial Impact:</b>	Funds are available in TIA Discretionary Funds.
<b>Alternatives:</b>	1) Do not approve and find alternative to complete warranted improvements and meet TIA project completion schedule.
<b>Recommendation:</b>	Approve entering into an agreement with (CSXT) CSX TRANSPORTATION, INC. Company stating that Augusta, GA will pay for the Construction Engineering, Inspection, and Flagging protection services,

for the 13th Street Improvements Project in accordance with the estimate \$49,509.00. Also, approve the Construction Agreement to be executed by the Augusta, GA Legal Counsel and the Mayor. requested by Engineering

**Funds are available in the following accounts:** \$49,509.00) 235-041110 – 54.141110 TIA Discretionary Funds
