<b>Caption:</b>	Motion to receive as information: Emergency Repairs at the Augusta Aquatic Center
<b>Background:</b>	In August 2023, staff and visitors of the Augusta Aquatic Center noticed a drastic decline in air quality and an increase in humidity and temperature on the swim deck of the Aquatic Center. To rectify the situation, to prevent additional damage, and to maintain operability of the Aquatic Center, staff procured services from Trane Building Services (Trane) in accordance with section 1-10-57 concerning emergency procedures.
<b>Analysis:</b>	Trane performed an analysis of the dehumidification system, detected two dysfunctional condenser fans, and replaced those fans, which restored functionality.
<b>Financial Impact:</b>	\$50,566.00
