

Engineering Services Committee Meeting

Meeting Date: 2/13/2024

Funds for Asphalt Patch Repair, Concrete Curb and Sidewalk Replacement Contract Extension

Department:	Utilities
Presenter:	Wes Byne, Director
Caption:	Approve funds for extending the contract with Blair Construction, Inc. to perform asphalt patch repair, concrete curb and sidewalk replacement for the Utilities Department.
Background:	These services were contracted through Bid 22-178 and awarded to Blair Construction, Inc. Augusta Utilities Department (AUD) uses these services when repair of underground assets requires removal of asphalt or concrete. By utilizing an on-call contractor, the time is reduced that a road cut or sidewalk cut remains unrestored. Expedient repairs to the roadway and sidewalk limits the potentially negative impact on our customers and community.
Analysis:	Blair Construction has performed well and it would be very beneficial to AUD's operations to exercise the option to extend this contract. AUD requests approval for \$383,000.00 to fund the contract extension in accordance with AUD's budget.
Financial Impact:	\$383,000.00
Alternatives:	No alternatives are recommended.
Recommendation:	Recommend approval of funding in the amount of \$383,000.00 for Utilities Department to extend these contracted services with Blair Construction, Inc.
Funds are available in the following accounts:	Funds are available in account: 506043410-5311920.
