Mayor Johnson:

The Employee Recognition Committee has selected Sean Moore as the September 2024 Employee of the Month for Augusta, Georgia. Mr. Moore works for the Augusta Tax Assessor's Office where he has been employed for 7 years. Mr. Moore currently serves as a Commercial Property Appraiser.

Sean Moore's knowledge and attention to detail are a true asset to the department and the commercial property appraisal team. He exemplifies service and teamwork by guiding both coworkers and taxpayers on the complexities of commercial property appraisal, which requires constant self-education and market research.

He has made significant contributions in our department by spearheading the annual valuation of multi-family properties for the commercial property digest. His research and data gathering are extensive, and his efforts have gone a long way to ensure accuracy and uniformity in values for a large portion of the county's tax digest. Sean has created a process that goes beyond just getting the work done, and our office is grateful for his contributions.

Based on this nomination and Sean's outstanding service, The Employee Recognition Committee would appreciate you joining us in recognizing him as the September 2024 Employee of the Month.

Thank you,

The Employee Recognition Committee
