<b>Caption:</b>	Motion to approve the sole-source purchase order to Consolidated Pipe & Supply for water meter registers for \$39,600.00. ( <b>Approved by Engineering Services Committee November 28, 2023</b> )
<b>Background:</b>	N/A
<b>Analysis:</b>	The AUD warehouse is requisitioning residential water meter registers manufactured by Master Meter as an alternative. Water meter registers are a critical stock item needed to properly distribute water to customers through their water meter and in recording water consumption. This purchase is for a model manufactured by Master Meter that's compatible with our primary meter brand Badger. There is a significant delay in all of our Badger orders. The warehouse is low in stock.
<b>Financial Impact:</b>	\$39,600.00
<b>Alternatives:</b>	None
<b>Recommendation:</b>	Approve purchase order for \$39,600 to Consolidated Pipe for Augusta Utilities to purchase water meter registers.
