LANGUAGE ACCESS PLAN (LAP)

Adopted January 1, 2020

Updated December 2022

I. GENERAL INFORMATION

Prepared By: Sara Thomas
Allen-Smith Consulting, Inc.
405 Nunnally Farm Road
Monroe, GA 30655
(770) 207-0142
sara@allensmithconsulting.com

List of Current Applicable Funded Grants/Programs (to be automatically amended as projects are funded):

1. Grantee: Baldwin County, GA
CDBG Grant Number: #18p-y-005-1-6046 (Funded FY 2019)
Target Area: Daphney Street, Marion Street, Oak Drive, Randall, Youngblood Road
(Census Tract 9707.02: 1.6% LEP: Spanish, 1.6% LEP/ Target Area Tally Sheet revealed NO LEP persons)
2. Grantee: Baldwin County, GA
CDBG Grant Number: #22p-y-005-1-6263 (Funded FY 2022)
Target Area: Daphney Street, Frazier Drive, Lee Drive, Lee Street, Martin Drive, Oak Drive, Youngblood Road and Stuart Circle **(S1601 table for the County: 1.3% LEP: Spanish, 1.6% LEP/ Target Area Tally Sheet revealed 3 Hispanic persons)**

This *Language Access Plan* has been prepared to address Baldwin County's responsibilities as a recipient of federal financial assistance from Georgia Department of Community Affairs programs & grants funded by HUD as they relate to the needs of individuals with limited English language skills.

The plan has been prepared to ensure compliance with HUD's guidance and Title VI of the Civil Rights Act of 1964, and its implementing regulations. Under HUD's guidance, Baldwin County must take reasonable steps to ensure meaningful access to their programs and activities by persons with Limited English Proficiency (LEP).

Executive Order 13166, titled *Improving Access to Services for Persons with Limited English Proficiency*, indicates that differing treatment based upon a person's inability to speak, read,

write or understand English is a type of national origin discrimination. It directs each agency to publish guidance for its respective recipients clarifying their obligation to ensure that such discrimination does not take place. This order applies to all state and local agencies which receive federal funds, including Baldwin County.

Baldwin County has developed this *Language Access Plan* to help identify reasonable steps for providing language assistance to persons with Limited English Proficiency (LEP) who wish to access services provided through programs funded by the Georgia Department of Community Affairs/HUD. As defined by Executive Order 13166, LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write or understand English. This plan outlines how to identify a person who may need language assistance, the ways in which assistance may be provided, staff training that may be required, and how to notify LEP persons that assistance is available.

To prepare this plan, Baldwin County used HUD’s four-factor LEP analysis which considers the following factors:

1. The number or proportion of LEP persons eligible to be served or likely to be encountered by the Community Improvement programs;
2. The frequency with which LEP persons encounter HUD funded programs;
3. The nature and importance of the HUD funded programs and services provided by Baldwin County to the LEP population;
4. The resources available to Baldwin County and overall cost to provide LEP assistance.

SAFE HARBORS

In accordance with HUD Safe Harbors for LEP, Baldwin County will translate written HUD related project documents for groups that are at least 5% of the population eligible (and more than 50 persons) or 1,000 persons, whichever is less. If there are fewer than 50 persons in a language group that reaches the 5% trigger above, Baldwin County will not translate the vital HUD related written materials, but will provide written notice in the primary language of the LEP group of the right to receive competent oral interpretation of those written materials, free of cost.

The size of the language group determines the recommended provision for written language assistance.

Size of Language Group	Recommended Provision of Written Language Assistance
1,000 or more in the eligible population	Translated vital documents
More than 5% of the eligible population or beneficiaries and more than 50 in number	Translated vital documents
More than 5% of the eligible population or beneficiaries and 50 or less in number	Translated written notice of right to receive free oral interpretation of documents.
5% or less of the eligible population or beneficiaries and less than 1,000 in number	No written translation is required.

II. MEANINGFUL ACCESS: FOUR-FACTOR ANALYSIS

1. The number or proportion of LEP persons eligible to be served or likely to be encountered by the programs.

Baldwin County's staff reviewed the S1601 2015-2019 American Community Survey 5-year estimates and determined that of the population of 42,895 persons over 5 years of age, 1,801 persons in Baldwin County (4.2% of the total population) speak a language other than English. Of those 1,801 persons, 578 (1.3% of the total population & 32.1% of the population speaking a language other than English) have limited English proficiency; that is, they speak English less than "very well". In Baldwin County, of those persons with limited English proficiency, 422 speak Spanish, 41 speak Other Indo-European languages and 115 speak Asian and Pacific Island languages. *See Appendix 3 of this Plan for ACS Estimates.*

Language Spoken*	# of Residents Over 5 Years of Age*		Speaks English Less Than "Very Well"*	
English	41,094	(95.8%)	N/A	
Spanish	684	(1.6%)	422	(1.0%)
Other Indo-European	265	(0.6%)	41	(0.1%)
Asian & Pacific	852	(2.0%)	115	(0.3%)
Other Languages	0	(N/A)	0	(N/A)
Total	42,895	(100.0%)	578	(1.3%)

A review of the residents that were in Baldwin County's FY 2022 22p-y-005-1-6263 (funded FY 2022) reveals 103 Black persons, 4 Black/White persons, 1 Native American and 32 White persons. Of those, there are 3 Hispanic people. This does not meet the threshold described above for translating vital documents or translated written notice of right to receive free oral interpretation of documents. Oral Interpretation Services are available for clients upon request. However, in the past, all our clients have provided their own translator with whom they are comfortable sharing personal information. Survey information for both projects are on file with the City. Individual surveys are confidential. However, the Grand Total Survey Tally Sheet is available for review.

1. Grantee: Baldwin County, GA
CDBG Grant Number: #18p-y-005-1-6046 (Funded FY 2019)
Target Area: Daphne Street, Marion Street, Oak Drive, Randall, Youngblood Road
(Census Tract 9707.02: 1.6% LEP: Spanish, 1.6% LEP/ Target Area Tally Sheet revealed NO LEP persons)

3. **2.** Grantee: Baldwin County, GA
CDBG Grant Number: #22p-y-005-1-6263 (Funded FY 2022)
Target Area: Daphney Street, Frazier Drive, Lee Drive, Lee Street, Martin Drive, Oak Drive, Youngblood Road and Stuart Circle **(S1601 table for the County: 1.3% LEP: Spanish, 1.6% LEP/ Target Area Tally Sheet revealed 3 Hispanic persons)**

2. The frequency with which LEP persons encounter HUD funded programs & services.

Baldwin County's staff reviewed the frequency with which staff have, or could have, contact with LEP persons. This includes documenting phone inquiries or office visits, as well as public hearings and interactions during surveys. Over the past two years, Baldwin County staff has had no requests for interpreters and no requests for translated program documents.

Frequency of Interaction: Annually

For Project Applications:

- a. When notifying the public about the potential grant and activities
- b. When surveying income in the target area
- c. When determining preliminary eligibility for housing activities, if applicable

For Homeowner Rehabilitation/Reconstruction/Down-Payment Assistance, if applicable:

- a. When notifying the public about the grant award and activities
- b. When seeking applicants to participate in the program (See the CHIP Contract Condition Affirmative Marketing Plan for local methods to advertise the program to potential homeowners)
- c. When seeking qualified contractors
- d. When working with homeowners selected for assistance

3. The nature and importance of programs, activities or services provided by the Planning and Community Development Department to the LEP population.

Housing plays a critical role in maintaining quality of life. Baldwin County is committed to ensure access to safe, sanitary and affordable housing for our eligible clients. Outreach throughout the community helps to ensure an awareness of our programs. The majority of the County's population- 95.8% speak English. Other than English speaking individuals, County staff are most likely to encounter Spanish speaking LEP individuals through office visits, phone conversations and during surveys. Upon client request, Baldwin County will provide oral interpreters using bi-lingual employees or qualified contract interpreters. To date, all LEP individuals have provided their own interpreter-a child or friend.

Importance of the Program(s): Denial or delay of access to services or information would not have serious or life-threatening implications for the LEP individual.

4. The resources available to Baldwin County, and overall cost to provide LEP assistance.

Baldwin County reviewed its available resources that could be used for providing LEP assistance, including which of its documents would be most valuable to be translated if the need should arise. An "I Speak" card/poster will be made available to determine needed language translations. A notice (see below) will be posted in all ads for GA DCA/HUD programs regarding who to contact should language assistance be needed. Language translation, if needed, would be provided through the available bi-lingual staff and/or the Language Line for which Baldwin County would pay a fee.

III. LANGUAGE ASSISTANCE

A person who does not speak English as their primary language and who has a limited ability to read, write, speak or understand English may be a Limited English Proficient person and may be entitled to language assistance with respect to Planning and Development services. Language assistance can include interpretation, which means oral or spoken transfer of a message from one language into another language and/or translation, which means the written transfer of a message from one language into another language.

The Name of the individual at Baldwin County responsible for coordination of LEP Compliance is:

Carlos Tobar, County Manager
Baldwin County
1601 N. Columbia Street, Suite 230
Milledgeville, GA 31061
478-445-4791
Email: ctobar@baldwincountyga.com

How the Planning and Community Development Department staff may identify an LEP person who needs language assistance:

- Post notice of LEP Plan and the availability of interpretation services free of charge in languages LEP persons would understand;
- Add statement (see below) to public meeting and event notices concerning GA DCA/HUD programs;
- All Planning and Community Development Department staff will be informally surveyed periodically on their experience concerning any contacts with LEP persons during the previous year; and
- When Planning and Community Development Department staff conducts a Public Hearing, an informational meeting or event, a staff person may greet participants as they arrive. By informally engaging participants in conversation it is possible to gauge each attendee's ability to speak and understand English. Although translation may not be able to be provided at the event (unless previously requested) it will help identify the need for future events; and
- Language Identification Cards/Posters will be used as necessary to determine a client's language needs.

Language Assistance Measures-Although there is a small percentage in Baldwin County of eligible LEP households, that is, persons who speak English "not well" or "not at all", it will strive to offer the following measures:

1. The Planning and Community Development Department staff will take reasonable steps to provide the opportunity for meaningful access to LEP clients who have difficulty communicating English.
2. The following resources will be available to accommodate LEP persons:
 - Interpreters for the Spanish language if available will be provided within a reasonable time period; or
 - Language interpretation will be accessed through Language Line Solutions.
3. Language Identification Cards/Posters will be used as necessary to determine a client's language needs.
4. The following statements will be added to public meeting and event notices concerning GA DCA/HUD programs:

"Baldwin County is committed to providing all persons with equal access to its services, programs, activities, education and employment regardless of race, color, national origin, religion, sex, familial status, disability or age. For reasonable accommodation for persons with special needs relating to handicapped accessibility or foreign language should contact Carlos Tobar at 478-445-4791. He can be reached at this number or by email at ctobar@baldwincountyga.com. Persons with hearing disabilities may consider using the Georgia Relay Service, at (TDD) 1-800-255-0056 or (Voice) 1-800-255-0135."

IV. STAFF TRAINING

The following training will be provided to all Planning and Community Development Department staff:

- Information on the Title VI Policy and LEP responsibilities;
- Description of language assistance services offered to the public;
- Documentation of language assistance requests; and
- How to handle a potential Title VI/LEP complaint.

All contractors, subcontractors and sub-recipients performing work for or receiving federal funds for Community Development projects will be required to follow the Title VI/LEP guidelines.

V. TRANSLATION OF DOCUMENTS

- Baldwin County weighed the cost and benefits of translating documents for potential LEP groups.

The County has numerous bilingual (Spanish/English) employees who are used to translate when a language barrier is apparent. Due to the infrequency of the encounters with LEP individuals, Baldwin County's written materials are English-only. Any request for the language translation of the documents will be reviewed and accommodated if the accommodation is reasonable and necessary. Considering the expense of translating the documents, the likelihood of frequent changes in documents and other relevant factors, at this time no documents require translation.

- Due to the relatively small eligible local LEP population, the County does not have a formal outreach procedure in place at this time. Translation resources have been identified. When and if the need arises for LEP outreach, the County will consider the following option:

-When staff prepares a document, or schedules a meeting, for which the target audience is expected to include LEP individuals, then relevant documents, meeting notices, flyers, and agendas will be printed in an alternative language based on the known LEP population, if requested.

VI. MONITORING AND UPDATING THE LAP PLAN/TERM OF THE PLAN

Baldwin County will update the LAP Plan as required. At a minimum, the plan will be reviewed and updated every five years using American Fact Finder for census information, when a new HUD funded project is approved, or when it is clear that higher concentrations of LEP individuals are present in Baldwin County. Updates will include the following:

- The number of documented LEP person contacts encountered annually;
- How the needs of LEP persons have been addressed;
- Determination of the current LEP population in the service area;
- Determination as to whether the need for translation services has changed;

- Determine whether local language assistance programs have been effective and sufficient to meet the need;
- Determine whether the County’s financial resources are sufficient to fund language assistance resources needed;
- Determine whether the County fully complies with the goals of this LAP Plan; and
- Determine whether complaints have been received concerning the agency’s failure to meet the needs of LEP individuals.

TERM OF PLAN: This plan will remain in place for five (5) years from the date of adoption including all updates and revisions over the course of the five (5) years. A new plan will be prepared and adopted every five (5) years.

VII. DISSEMINATION OF BALDWIN COUNTY’S LAP PLAN

The LAP Plan will be on Baldwin County’s website page and provided to anyone requesting the information.

VIII. RECORDS

Baldwin County will maintain records in the County Clerk’s office regarding its efforts to comply with Title VI LEP obligations. These records will be reviewed periodically and open to the public in an effort to improve service.

IX. COMPLAINTS/FINDINGS

Any person who believes they have been denied the benefits of this LAP or that the County has not complied with Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000(d) and Executive Order 13166 regulations may file a complaint with the County LAP Coordinator. The County LAP Coordinator may be the first point of contact for any complaints or appeals, but the DCA LAP Coordinator must be informed of all complaints and appeals. The LAP Coordinator will provide oversight of the complaint/appeal resolution process. To file a complaint, submit the written complaint to:

Carlos Tobar, County Manager
Baldwin County

Human trafficking is a form of modern-day slavery and involves the use of force, fraud, or coercion to exploit men, women or children and subject them into some type of labor or commercial sex act. Any minor exploited for commercial sex is a victim of human trafficking, even if not induced by force, fraud, or coercion.

Trafficking victims can be any age, race, gender, or nationality. Victims can find themselves in a foreign country and may not speak the language.

Report human trafficking to the U.S. Department of Homeland Security (DHS) Immigration and Customs Enforcement (ICE) Homeland Security Investigations (HSI) Tip line at 1-866-347-2423 or online at www.ice.gov/tips. The HSI Tip line is available 24/7 with language capability in over 300 languages and dialects. If calling from outside the United States, please call the non-toll free worldwide number of 802-872-6199."

To get help from the National Human Trafficking Resource Center (NHTRC) call 1-888-373-7888 or text HELP or INFO to BeFree (233733). The NHTRC is a national, toll-free hotline available to answer calls from anywhere in the country, 24 hours a day, 7 days a week, every day of the year with language capability in over 170 languages. The NHTRC is not a law enforcement or immigration authority and is operated by a nongovernmental organization funded by the federal government.

TABLE NOTES	Although the American Community Survey (ACS) produces population, demographic and housing unit estimates, it is the Census Bureau's Population Estimates Program that produces and disseminates the official estimates of the population for the nation, states, counties, cities, and towns and estimates of housing units for states and counties.
	<p>Supporting documentation on code lists, subject definitions, data accuracy, and statistical testing can be found on the American Community Survey website in the Technical Documentation section.</p> <p>Sample size and data quality measures (including coverage rates, allocation rates, and response rates) can be found on the American Community Survey website in the Methodology section.</p>
	Source: U.S. Census Bureau, 2015-2019 American Community Survey 5-Year Estimates
	Data are based on a sample and are subject to sampling variability. The degree of uncertainty for an estimate arising from sampling variability is represented through the use of a margin of error. The value shown here is the 90 percent margin of error. The margin of error can be interpreted roughly as providing a 90 percent probability that the interval defined by the estimate minus the margin of error and the estimate plus the margin of error (the lower and upper confidence bounds) contains the true value. In addition to sampling variability, the ACS estimates are subject to nonsampling error (for a discussion of nonsampling variability, see ACS Technical Documentation). The effect of nonsampling error is not represented in these tables.
	The 2015-2019 American Community Survey (ACS) data generally reflect the September 2018 Office of Management and Budget (OMB) delineations of metropolitan and micropolitan statistical areas. In certain instances, the names, codes, and boundaries of the principal cities shown in ACS tables may differ from the OMB delineation lists due to differences in the effective dates of the geographic entities.
	Estimates of urban and rural populations, housing units, and characteristics reflect boundaries of urban areas defined based on Census 2010 data. As a result, data for urban and rural areas from the ACS do not necessarily reflect the results of ongoing urbanization.

	<p>Explanation of Symbols: * An "***" entry in the margin of error column indicates that either no sample observations or too few sample observations were available to compute a standard error and thus the margin of error. A statistical test is not appropriate.</p> <p>* An "-" entry in the estimate column indicates that either no sample observations or too few sample observations were available to compute an estimate, or a ratio of medians cannot be calculated because one or both of the median estimates falls in the lowest interval or upper interval of an open-ended distribution, or the margin of error associated with a median was larger than the median itself.</p> <p>* An "-" following a median estimate means the median falls in the lowest interval of an open-ended distribution.</p> <p>* An "+" following a median estimate means the median falls in the upper interval of an open-ended distribution.</p> <p>* An "****" entry in the margin of error column indicates that the median falls in the lowest interval or upper interval of an open-ended distribution. A statistical test is not appropriate.</p> <p>* An "*****" entry in the margin of error column indicates that the estimate is controlled. A statistical test for sampling variability is not appropriate.</p> <p>* An "N" entry in the estimate and margin of error columns indicates that data for this geographic area cannot be displayed because the number of sample cases is too small.</p> <p>* An "(X)" means that the estimate is not applicable or not available.</p>
