

Staff Report

Subject: Street Sweeping

Department/Program: Public Works/ Pavement

Explanation: Since 2006, the City of Ballwin has contracted for street sweeping. As in the past, the 2024 budget includes funds for quarterly contractual sweeping in compliance with our State Stormwater Permit.

Invitations to bid were sent to several contractors. We advertised in the St. Louis Business Journal, ePlan, Dodge Data & Analytics and on the City’s website. The bid specifications are on file in the Public Works Department. On February 23rd, 2024, one bid was received and opened. The results are as follows:

Bidders	4 times/year	Additional Sweepings/hour
SCA of Missouri	\$32,180.68	\$150.00
STL Contractor Services	No Bid	No Bid
Crowns & Curbs, Inc.	No Bid	No Bid
Budget	\$40,000.00	

The bid specifications include sweepings in March, May, July, and September, but does not include disposal of the sweeper debris. Republic Waste will dispose of the sweeping debris at no cost to the City.

The additional sweeping hourly rate is for special sweeping such as cleanup after a major storm or before special events.

SCA of Missouri (Formerly Contractors & Municipal Sweeping Service) has no known OSHA violations during the past three years. They swept Ballwin streets in 2023.

Recommendation: We recommend awarding the contract to the only bidder, SCA of Missouri, LLC (formerly Contractors and Municipal Sweeping Service Inc.).
