

CONSENT ITEM

Subject: Skid Steer Purchase

Department/Program: Public Works/Pavement

Explanation: In 2023, the Public Works Department has budgeted for a replacement skid steer with buckets and stump grinder attachment.

All of these items are available through the Missouri State Bid Program through Bobcat. The total cost of the items is \$40,525.70, which is under the City's budgeted amount of \$45,000.

Recommendation: Staff recommends the purchase of a skid steer, stump grinder and two buckets from Bobcat of St. Louis using the Missouri State Bid, for a total cost of \$40,525.70.
