Project description:

This Petition is for a Rezoning of the lots in Claymont, Claymont Cove, Claymont Place and Claymont Court Subdivision, Claymont Elementary School and St Mark's Presbyterian Church. In 1996, Claymont Subdivision, Claymont Cove, along with the land where Claymont Place and Claymont Court were developed were annexed into the City of Ballwin from St. Louis County. Annexation allows a city to expand its boundaries and bring newly incorporated land under its jurisdiction. When this occurs, the City applies a zoning designation that aligns with the previous County zoning. However, when these areas were annexed, this step was not completed.

To correct this, the City of Ballwin is now moving forward with assigning an appropriate zoning designation to these properties.

Staff analysis:

In reviewing this Petition, staff examined St. Louis County's R-2 Residence Zoning District and compared it to the City's residential zoning districts. Ballwin's R-2A Zoning District is nearly identical. The potential creation of non-conforming conditions on affected properties was also considered, with minimal non-conformities expected as a result of this rezoning.

As part of the public notification process, letters were mailed to each affected property, public hearing notices were posted at major intersections within the subdivisions, and information about the Petition was made available on the City's website.

Staff intends to continue making corrections to the Zoning Map to address areas of the City that retained St. Louis County zoning after annexation.

Staff recommendation:

This Petition is for a Rezoning of the lots in Claymont, Claymont Cove, Claymont Place and Claymont Court Subdivision, Claymont Elementary School and St Mark's Presbyterian Church. Staff has no concerns about the approval of this Petition.

In 1996, Claymont Subdivision, Claymont Cove, along with the land where Claymont Place and Claymont Court were developed were annexed into the City of Ballwin from St. Louis County. Annexation allows a city to expand its boundaries and bring newly incorporated land under its jurisdiction. When this occurs, the City applies a zoning designation that aligns with the previous County zoning. However, when these areas were annexed, this step was not completed.

To correct this, the City of Ballwin is now moving forward with assigning an appropriate zoning designation to these properties.

What This Means for You

- **No action is required on your part as a homeowner.**
- The City is submitting a **rezoning application** to formally designate these properties under Ballwin's zoning code.
- A **public hearing** will be held at the **Planning & Zoning Commission Meeting on Monday, April 7, at 7:00 p.m.** at the Ballwin Government Center. The Commission will make a recommendation to the Board of Aldermen.
- The **Board of Aldermen will vote** on the rezoning application at their meeting on **Monday, April 14, at 7:00 p.m.**

Zoning Details

When these areas were under St. Louis County's jurisdiction, it was zoned **R-2 Residence District**. The equivalent zoning designation in Ballwin is **R-2A Single Family Residential District**. These classifications are nearly identical.

If any existing structure does not fully comply with Ballwin's R-2A zoning requirements, it will be classified as **legally non-conforming ("grandfathered")**. This means:

- The structure **may remain as is** without any penalties.
- The property **can be sold without issue**.
- Any **new construction or modifications** will need to comply with Ballwin's R-2A zoning regulations.
