

## **Staff Report**

**Subject:** Subject: Police Vehicle Purchase

**Department/Program:** Police Department

**Explanation:** At the February 13, 2022 Board meeting the purchase of two Ford F150 Police Responder Pick-up Trucks were approved for purchase. \$70,264 remains in the budget for a third police vehicle. As you may recall, the State of Missouri no longer offers the contract bid, it only offers qualified vendors. When qualified vendors were contacted regarding the trucks, they were also asked about Dodge Durangos. None of the vendors had any nor expected to receive any. The Police Department was contacted by Lou Fusz Auto Network notifying them that a new Dodge Durango is scheduled to be delivered to them in the next two weeks and became available unexpectedly. The quoted price falls within our approved budget. As any type of police vehicle is in high demand, Lou Fusz can only hold this one for us a short period of time.

**Recommendation:** Staff recommends the purchase of one 2023 Dodge Durango Pursuit V-8 from Lou Fusz Auto Network at a cost of \$42,833.
