Z-23-05 Text Amendment, adding retail tobacco stores, cigar bars, hookah and vapor lounges as Special Use Exceptions in the C-1 Commercial Zoning District

City Planner, Lynn Sprick, provided a detailed explanation of the proposed language. Currently, the uses are classified as retail sales and are permitted as a right in the C-1 District. The Board of Aldermen directed staff, along with the City Attorney, to draft language that would require the uses to apply for a Special Use Exception, which would require review by the Planning & Zoning Commission and approval from the Board of Aldermen.

The Board also expressed concern about the sale of nitrous oxide and discussed the possibility of regulating the sale of it at these types of establishments.
