Zoning Ordinance Requirements
Appendix A, Article IX (Commercial/ C-1 District):

- Article IX, Section 1 is a general introductory statement and imposes no design or plan requirements so it is not germane to this review.
- Art. IX, Sec. 2 establishes uses allowed by right in the C-1 district. The use contemplated in this petition is not included in the base C-1 use regulations. **The provision for a restaurant/establishment wishing to distribute alcohol by the glass in the City of Ballwin is required to undergo the SUE permitting process, detailing the necessity of my assessment.**
- Art. IX, Sec. 3 establishes a height limitation of 45'. **No changes are proposed to the current structure.**
- Art. IX, Sec. 4 (1) establishes a front yard depth of not less than 40', except for: Art. XI, Sec. 4 (1) (i), which states that land lying along Manchester Rd shall have a front yard not less than 60 feet. **No changes are proposed to the current structure.**
- Art. IX, Sec. 4 (2) establishes no requirement for a side yard, so long as the location does not adjoin with a dwelling, dwelling district, or any public activity district. **No changes are proposed to the current structure.**
- Art. IX, Sec. 4 (3) establishes a rear yard depth of not less than 25'. **No changes are proposed to the current structure.**
- Art. IX, Sec. 4 (4) refers to improvement of a C-1-zoned parcel with single-family dwellings, and is not pertinent to this evaluation.
- Art. IX, Sec. 5 (1) refers to off street parking and loading spaces, neither is this petitioner is making changes to the currently existing building nor to its parking lot. **No changes are proposed.**
- Art. IX, Sec. 5 (2) refers to parking for shopping centers, plazas and office complexes with two or more tenants having more than 100,000 square feet of gross floor area and is not applicable to this review.
- Art. IX, Sec. 6 refers to review by MoDOT for any intensive redevelopment along Manchester Rd. This is irrelevant to this proposal.
- Art. IX, Sec. 7 (1) requires that the minimum spacing of curb cuts is to be 500' between centerlines. No change is proposed.
- Art. IX, Sec. 7 (2) requires the construction of a 6' wide sidewalk along Manchester Road and is not applicable to this review.
- Art. IX, Sec. 7 (3) requires that commercial parking lots be interconnected or that a cross access, driveway/parking lot vehicular interconnection easement be established to the benefit of Ballwin to allow a future parking lot interconnection with adjoining properties. No change is proposed, given that this proposal is using a pre-existing structure, and such a requirement would be best applied to a proposal with new construction included.

Zoning Ordinance Requirements/SUE Regulations
