**RE: Basketball, Tennis and Pickleball Court Maintenance**

**Department/Program: Parks and Recreation**

**Explanation:**

The city budgeted \$26,000 for miscellaneous sport court maintenance. Bids were solicited to repaint and stripe the basketball courts at New Ballwin Park and perform routine crack repair at Holloway Pickleball Courts and Vlasis Tennis Courts. Three bids were received and read aloud on Friday, January 16, 2026.

**Recommendation:**

Staff recommends awarding low bidder McConnell and Associates the contract for \$17,860 for New Ballwin Basketball Court painting and crack repair for \$10.50 per linear foot for Vlasis and Holloway Courts. McConnell has done several projects for the city in the past including the New Ballwin Tennis courts in 2025. Staff has been happy with the work that they have performed.
