RE: Temporary Labor

Department/Program: Public Works/Leaf Collection

**Explanation:** The City of Ballwin solicited proposals for temporary laborers for a six (6) week period beginning October 23<sup>rd</sup>. The City received 3 proposals. The results are on file in the Public Works Department. The laborers will be required to work outdoors in a dusty environment and in all types of weather including rain and severe heat and cold. The work consists of raking leaves that were placed at the curb by homeowners to be picked up by the City's vacuum. Each laborer will be required to work 7:00 am to 3:30 pm, Monday through Friday with a 30 minute non-paid lunch break.

	<b>Hourly Rate</b>		<b>Budget</b>
People Ready	\$31.00		
Westside Personnel	\$22.88		
Labor Finders	\$22.22		<b>\$45,000.00</b>

**Recommendation:** To award the contract to Labor Finders for the Unit price of \$22.22 per Hour. In the event that Labor Finders cannot supply all 6 people, we also recommend using the next lowest bidder to ensure we have enough laborers for leaf collection.
