

Staff Report

Subject: Sewer Lateral Program

Department/Program: Administration

Explanation: The sewer lateral program goes out for bid every two years. Attached is the single bid received from our current contractor, A&A Sewer. The bid is in line with expectations given the increase in material prices over the last two years. The current pricing sheet is included along with the new proposed sheet to allow for comparison.

Recommendation: It is the recommendation of the staff to accept the bid from A&A Sewer. The company has worked with Ballwin for several years. A&A has received many compliments during that time on how well they treat our residents. Their work is normally done correctly and any concerns are handled promptly.
