Subject: Re: Bandera Equine Posse

Hi Jill,

I am reaching back out to you as a Bandera Equine Posse Board Member and am requesting an item to go before the City Council, preferably the first regular meeting of February, if possible. The Posse would like to present a trail map along with the desire to sign the nature trails at city park, and proposed future signage in town for a historic bridle path.

I will also have a brief video for the council to view as well, and would appreciate your guidance on how best to present to them.

Could you please confirm the ability to accommodate this request?

Thank you in advance.
