Subject: RE: TX Dot Project

Jill, the project was paused based on a request from Mr. Tony Battle on September of last year.

Recently, the City of Bandera was awarded Transportation Alternatives funds in the amount of 2.3 million, which is really good.

If the City would like to talk about the left turn lane project, please let me know, as these are two different projects.

Thanks,
-Andres

Andes,

I as not able to attend the Commissioners Court meeting but wanted clarification on TXDot stopping the Main Street plan for expansion. Lynn talked with you after the commissioner's court meeting today and she said that it was hated. We need something official stating that TX Dot is not moving forward with the expansion of lanes on Main St.
