Subject:	AGENDA ITEM FOR DEC MEETING RE: We received your Intuit subscription payment!

SINCE IT'S THE END OF THE YEAR, JILL, CAN YOU PUT THIS ON THE NEXT DECEMBER MEETING. WE WANT TO SWITCH TO THE CITY'S INCODE SOFTWARE TO BE MORE EASY TO MANAGE FOR AUDIT AND CONTROL COSTS AT THE SAMETIME. BY OUR BYLAWS DO WE NEED TO VOTE ON IT OR CAN IT JUST BE AN ADMINISTRATIVE EXECUTIVE DECISION?

THANKS ALLYSON FOR YOUR HELP WITH THIS.

I would like to switch the EDC to incode which is the software I use for the city. It would be a lot better for me and the auditors, honestly. We could negotiate the EDC paying a yearly cost to the city for the software usage that would be less than the quickbooks subscription also.

Is QuickBooks still the best place for our books? Just asking if there is a better and more cost effective place to house our books and make it easier.

If we are in a good spot then we are good and thanks for all you do for us.
