**MEETING DATE:** April 11, 2023

**TITLE:**

Consider action to approve the first reading of Ordinance No. 2023-10, of the City Council of the City of Bastrop, Texas, amending Article 2.4 Administration Sec. 2.4.001 Nonconforming Uses and Structures by adding that the intent of the provisions will not create a disparate impact to residents.

**BACKGROUND/HISTORY**

The B3 code, as adopted, requires all existing uses and structures who do not meet the B3 standard to be considered nonconforming, also known as “grandfathered”.

Nonconforming uses are intended to move the community into current planning, building code, and design standards.

An unexpected consequence of the B3 code was the disparate impact it would have on residents in predominantly low-income areas, or the large extent of the town that would be considered nonconforming and what that would mean to residents.

This agenda item seeks to clarify the intent of the code is a fair and equal access to its application and relief, which today is not clear. An example of this is the punitive cost of a variance request.
