SECTION 1. Authorization of Twenty (20) Year Retirement Eligibility.

(a) Pursuant to TMRS Act §854.202(g), the City authorizes any Member of the System who is or was an Employee of the City to retire and receive a service retirement benefit if the Member has at least twenty (20) years of credited service in the System performed for one or more municipalities, including the City, that have adopted a like provision under TMRS Act §854.202(g).

(b) Prior to adopting this Ordinance, the City has: (1) prepared an actuarial analysis of Member retirement annuities at twenty (20) years of service; and (2) held a public hearing pursuant to the notice provisions of the Texas Open Meetings Act (Chapter 551, Texas Government Code).

(c) The retirement eligibility authorized in this Ordinance shall be in addition to the plan provisions previously adopted by the City and in force at the effective date of this Ordinance pursuant to the TMRS Act.

(d) The retirement eligibility authorized by this Section shall be effective on the first day of the month of October 2024.

SECTION 2. Adoption of Non-Retroactive Repeating COLAs.

(a) On the terms and conditions set out in TMRS Act §854.203 and §853.404, the City authorizes and provides for payment of the increases described by this Section to the annuities paid to retired City Employees and beneficiaries of deceased City retirees (such increases also called COLAs). An annuity increased under this Section replaces any annuity or increased annuity previously granted to the same person.

(b) The amount of the annuity increase under this Section is computed in accordance with TMRS Act §853.404(f) as the sum of the prior service and current service annuities, as increased in subsequent years under TMRS Act §854.203 or TMRS Act §853.404(c), of the person on whose

service the annuities are based on the effective date of the annuity increase, multiplied by **70%** of the percentage change in the Consumer Price Index for All Urban Consumers during the 12-month period ending in December of the year that is 13 months before the effective date of the increase under this Section.

(c) An increase in an annuity that was reduced because of an option selection is reducible in the same proportion and in the same manner that the original annuity was reduced.

(d) If a computation under this Section does not result in an increase in the amount of an annuity, the amount of the annuity will not be changed under this Section.

(e) In accordance with TMRS Act §853.404(f-1)(2), an increase under this Section only applies with respect to an annuity payable to a TMRS member, or their beneficiary(ies), which annuity is based on the service of a TMRS member who retired, or who is deemed to have retired under TMRS Act §854.003, not later than the last day of December of the year that is 13 months before the effective date of the increase under this Section.

(f) The amount of an increase under this Section is an obligation of this City and of its account in the benefit accumulation fund of the System.

(g) The initial increase in annuities authorized by this Section shall be effective on January 1 immediately following the year in which this Ordinance is approved, subject to receipt by the System prior to such January 1 and approval by the Board of Trustees of the System (“Board”). Pursuant to TMRS Act §853.404, an increase in retirement annuities shall be made on January 1 of each subsequent year, provided that, as to such subsequent year, the actuary for the System has made the determination set forth in TMRS Act §853.404(d), until this Ordinance ceases to be in effect as provided in TMRS Act §853.404(e).

§853.601 (also known as “Transfer USC”), both as to the initial grant and all future grants under this Ordinance.

(c) The Updated Service Credit authorized and provided under this Ordinance shall be **100%** of the "base Updated Service Credit" of the TMRS Member calculated as provided in TMRS Act §853.402.

(d) Each Updated Service Credit authorized and provided by this Ordinance shall replace any Updated Service Credit, prior service credit, special prior service credit, or antecedent service credit previously authorized for part of the same service.

(e) The initial Updated Service Credit authorized by this Section shall be effective on January 1 immediately following the year in which this Ordinance is approved, subject to receipt by the System prior to such January 1 and approval by the System’s Board. Pursuant to TMRS Act §853.404, the authorization and grant of Updated Service Credits in this Section shall be effective on January 1 of each subsequent year, using the same percentage of the “base Updated Service Credit” stated in Subsection (c) in computing Updated Service Credits for each future year, provided that, as to such subsequent year, the actuary for the System has made the determination set forth in TMRS Act §853.404(d), until this Ordinance ceases to be in effect as provided in TMRS Act §853.404(e).
