

# STAFF REPORT

**MEETING DATE:** March 6, 2023

**AGENDA ITEM:** 6A

**TITLE:**

Programming Ideas Workshop

**AGENDA ITEM SUBMITTED BY:**

Bonnie Pierson, Library Director

**BACKGROUND/HISTORY:**

Late December 2022, Library Board Members were asked to consider ideas for future programming and to share any thoughts or opinions on the direction of library programming. Board members had a discussion at the February meeting and opted to continue it at the March meeting.

**IDEAS FROM BOARD MEMBERS PRIOR TO MARCH MEETING:**

Rebecca Bennett:

- Book club (I've already spoken to Bonnie about his one)
- Writers group - maybe we can find someone from the community that is published (Ryan Holiday, Carolyn Banks, Ken Kesselus)
- Beginning quilters, knitters, crocheters, etc.
- Creative writing for teens or tweens. The high school eliminated this (very popular) class several years ago.
