AGENDA ITEM:

TITLE:

Update on the Bird Junction Project

AGENDA ITEM SUBMITTED BY:

Margaret Robinson, Bird Junction Committee Member
Terry Moore, Parks and Recreation Director

BACKGROUND/HISTORY:

This project is in partnership with the Cultural Arts Commission and the Bird City Coalition.

“The whole idea of a bird junction is to show physically with sculpture the migration that goes through Bastrop in a very permanent form, with its sculptures”, said Maria Montoya, Bastrop Cultural Arts Commission chair. A Texas-certified bird city, Bastrop is within the migration path of over 300 species of birds. May 8, 2024
