About

With over three decades of experience in the film industry, Extreme Force Hollywood Stunts has now become an integral part of the Bastrop community. Mark Anthony, a graduate of Travis High School in Austin, Texas, relocated his company back to Texas during the pandemic from CA.

In recent years, Extreme Force has produced and filmed numerous movies in Bastrop County. Now actively engaging with the vibrant town of Bastrop, we aim to highlight the film opportunities available in Bastrop and all that they entail.

Teaming up with local respected members of Bastrop we plan to put our community on the map for film work in Texas.
