Austin survey, Abstract No. 2, located west of Lovers Lane and south of Pecan Park subdivision, and east of the Colorado River Bend, as shown in Exhibit "A"; providing for findings of fact, adoption, repealer, severability, filing and enforcement; establishing an effective date; and providing for proper notice and meeting; and move to include on the August 22, 2023, meeting for second reading.

AGENDA ITEM SUBMITTED BY:

Trey Job, Assistant City Manager

BACKGROUND/HISTORY

The City of Bastrop has owned this 25-acre tract of land for quite some time. In the past it has served as a field that was used by football, and soccer leagues. Our fire department and emergency management coordinator has also used the field for training exercises. Approximately a year ago I updated the Bastrop City Council on surplus properties owned by the City of Bastrop and was instructed to place it back on the tax rolls. I listed the 25 acres along with three others. All 2.5 acre building blocks. All of the lots are under contract and the 25-acre tract is ready to close. As part of a previous contract extension the purchaser voluntarily requested annexation

RECOMMENDATION:

Staff recommends approval of first reading of Ordinance 2023-25.
