Provide a detailed description of project or event.

There are two metal containers in the church parking lot which are used as storage for our annual community wide fall festival. These containers are closest to and visible off of Chestnut. If awarded the grant, our intention is to prime the containers and paint murals on the two longest sides facing the public. We will collaborate with a local muralist in addition to local teen and senior artists. Our idea is to bring about images that describe the servants heart. We anticipate contributions for this vision from Bastrop Ladies of Charity, The Matachines Dancers, The Knights of Columbus as well as, youth and senior individuals of our church. We will hold three planning and primer paint sessions leading up to the work day of March 25th.

Explain how your program supports and/or promotes arts in the local community.

Our intergenerational approach in bringing together teen and senior artists to work on a community project is a fine example of expression of art in collaboration; one of mutual respect and greater understanding. The groups and individual contributor celebrates diversity and love of humanity in the planning process and final mural. Our hope is to string together a community of people even closer and welcome all who visit our amazing city. One of the outcomes is that a passer by will see something beautiful that captures the heart of Bastropians they have never met.

What impact does your organization have on individuals in our community as a whole.

Our faith-based organization serves the Bastrop and surrounding communities by closing the gap for our vulnerable populations with financial help, food security, and mental health services to name a few. Our youth program serves hundreds of teens throughout Bastrop county by implementing leadership development, mental health awareness and counseling services, offering safe spaces and recreational activities. Our reputation of being good collaborators comes from truly listening to the people and working alongside other organizations to provide effective solutions such as, financial literacy, support for our local pregnancy center, and success in vital multi-generational community service projects. Our affiliate organizations, Ladies of Charity and Knights of Columbus, also have service missions which provide for basic needs, youth scholarships, and veteran services.
